Work experience

Since July 2018

Full stack web engineer at Cartier Takima Paris, France

Working for **Cartier Joaillerie International**, I developed several applications to improve the time management in workshops or gain a lot of time in the processes of logistics. Using Devops methodology, I was also in charge of **setting up a new technological stack** at the IS pole.

From February 2018 to July 2018

Engineering internship - "Takima Academy" training Takima Paris, France

Project training in the following areas: back-end and front-end development, Devops activities and working methodologies

From May 2017 to July 2017

Specialty internship - Software developer in Germany BIM&CO Sankt-Wendel, Saarland, Germany

- Development of a plugin for the CAD software Allplan in the field of BIM objects

From January 2017 to June 2017

Project Manager (ISO 9001:2015 certified) AEROW Solutions, INSA Rouen-Normandie France (76)

- Redesign a web application for Electronic Document Management.

From April 2015 to July 2016

Temporary summer employment in the field of construction Michel Rénov' & Neuf Saint-Romain-de-Colbosc, France (76)

From April 2014 to July 2014

Internship in the field of building Estuaire Electricité Oudalle, France (76)

Formation

Since August 2015

Specialization in Architecture of Information Systems INSA Rouen-Normandie France (76)

From September 2013 to June 2015

Preparatory cycle for engineering schools INSA Rouen-Normandie France (76)

From September 2010 to June 2013

Scientific Baccalaureate with distinction Lycée Saint-Joseph Le Havre, France (76)

- German european class
- Specialty in natural sciences

Languages

French Mother tongue

English **TOEIC** (Score : 865), December, 2016

German **Zertifikat Deutsch**, Gœthe-Institut, June 2013
